The hourly rate for bookkeeping and payroll is \$100/hour outside of tax season and \$275/hour during the tax season. Complex accounting services performed by our senior accounting staff or CPA, are billed at a rate of \$350/hour. Our work will not include procedures to find defalcations or other irregularities. Penalties for late payment of tax

You are solely responsible for making timely payment of taxes that you owe. The law imposes penalties when taxpayers underpay or make late payment of their tax liabilities (amounts owed) including:

- **Estimated tax penalty:** If you underpay taxes during the year, you can be assessed an estimated tax penalty.
- **Late payment penalty:** If you pay taxes after the March 15 filing deadline, you can be assessed late filing penalties, late payment penalties and interest on amounts you owe.

Filing deadline and extensions

The filing deadline for your 2022 return is March 15, 2023. You may apply for an extension by filing Form 7004 on or before March 15, 2023. If you would like PNW Tax to file an extension for you, please complete and submit our [S-Corporation Extension Request Form](#) prior to March 15.

IMPORTANT: An extension of time to file does not give you more time to pay your tax. You are solely responsible for paying your tax on time. You should remit any amount you owe by March 15, 2023, with your timely filed Form 7004. You may also pay taxes owed online with the IRS and your state.

Price Schedule

We generally charge a flat fee for each form and worksheet that is included with preparation of your tax return. A time charge may apply for additional bookkeeping or consulting services. Our fee for preparing your returns will be based upon the Price Schedule posted in our offices. More information about our pricing can be found on our website at [Business & Entity Return Pricing | Pacific Northwest Tax Service \(pnwtax.com\)](#)

We will return your original records to you at the end of this engagement. You should securely store these records along with all supporting documents, canceled checks, credit card statements, etc., as these items may later be needed to prove completeness or accuracy of your return. We will retain copies of your returns and certain other required documents for a minimum of 4 years, after which these documents will be destroyed.

End of Engagement

Our engagement to prepare your 2022 tax returns will conclude with the delivery of the completed returns to you (if paper filing), or your signature and our subsequent submittal of your tax return (if e-filing). If you choose not to e-file your returns or are not able to e-file your returns with our office, you will be solely responsible for filing the returns with the appropriate taxing authorities. We will not mail paper returns to the government for you. Review all tax-return documents carefully before signing them.

Identity theft alert and use of secure portal

The IRS strongly advises all taxpayers to avoid sending valuable personal information via email. Cyber-thieves routinely target tax return preparers, banks, medical offices, and other businesses that store confidential information that can be used to steal your identity. We are committed to the protection of your information and therefore maintain the following policies for security reasons:

1. We will not email copies of your tax return to you, and we strongly advise that you do not email your valuable information to your tax preparer.
2. Instead, we request that you use our SecureFilePro cloud-based portal. The portal allows you to send and receive information in a secure environment. Information on how to use the portal is found on our website at www.pnwtax.com. Click on the User Instructions link in the upper left corner of the landing page. Your tax preparer will set up Portal access for you at your request.
3. We do not mail copies of returns; however, we will arrange for signature delivery via UPS or FedEx for an additional charge of \$75.
